That's good. We've got a briefing on May 3 and will need slides probably the week before, so having the numbers will help us.

Katie is developing a briefing package similar to CSSR effort, with a slide featuring "numbers", so you should have plenty of stats.

Hi Andy -

I'll get you the stats re comments from Natalie, and ask the NCEI librarian about the total number of cites.

Author nominations process was open to the public. We can easily give stats on that. Their selection? The SSC would have approved the slates. I'll defer to Dave R. on that.
